

HUNTER®
50CC

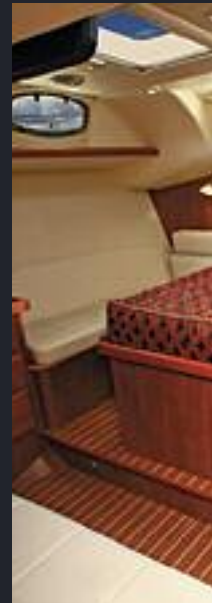

OFFSHORE LUXURY DEFINED.

A stunning blue-water passagemaker, the NEW Hunter 50 Center Cockpit is the latest in Hunter's long line of center cockpit yachts. Built as a platform for extended offshore cruising or just a day out on the bay this beauty has all the features cruising couples wish for.

To truly appreciate how safe, comfortable and exceptionally easy-to-sail this 50CC is, one needs to examine it inside and out. Above decks, the 50CC features a center cockpit which provides excellent visibility along all sight lines and allows for several distinct areas to socialize. Hunter's trademark stainless steel arch keeps the traveler hardware safely out of the way while a Selden B&R rig provides safe and efficient power. Even with 14 different possible sail plans, this yacht is rigged for ease of sailing even when short-handed. The hull design features proven hydrodynamics from Hunter's 49 hull. Some features include a bow hollow and stern reflex, for great acceleration and quicker response. Like all of Hunter's keel boats, the 50CC has Kevlar® woven into the bow area for extra protection.

Below, you'll descend into a large luxurious salon that features opposing settees, a durable teak and holly sole, and a convenient nav station that can be equipped with all the latest electronics. A fully-equipped chef's galley is wrapped in genuine Karadon® with stainless steel grabrails at the counter edges. Forward, the guest stateroom houses both an ensuite head and separate ensuite stall shower. Aft, the spacious owner's suite features a centerline berth that is fully accessible from both sides, a walk-in cedar closet, chaise lounge chair, his and her work areas, private head, and plenty of storage space. With an abundance of natural lighting and ventilation the master suite is also the perfect setting for the optional jet spa tub. The all-new jet spa tub is cleverly housed in the bed unit and easily accessed by a smart flip-top mattress.

The NEW Hunter 50CC will enable you to live your dreams in a luxurious fashion right off the dock or circumnavigating the globe. Get on board and sail away today!
